

Set the Record Straight: Truth Posts

February Edition

Our introductory version of Truth Posts was ruthlessly pilfered from an amazing collection of posts on Beth Francell's Facebook page, posts that get to the heart of the matter. Thanks to Beth for her collections. We are now beginning to add new entries (or more accurately posters) to the Truth Posts pages. Please send us your own suggestions.

Biden Conspiracy

Just Like We Drew It Up!

Biden Sets Internet Alight With ‘Dark Brandon’ Super Bowl Reaction – Matt Young, Daily Beast BRANDO IS BACK

President [Joe Biden](#) had conspiracy theorists in a tizzy after posting what appeared to be his reaction to the Kansas City Chiefs [Super Bowl win](#) on Sunday night. “Just like we drew it up,” Biden posted on X alongside a photo of “Dark Brandon,” the meme created by hardcore—and very online—supporters of Donald Trump that Biden and his team loved so much they [adopted it](#) as their own. The post was apparently referencing far-right [conspiracy theories](#) which posit the NFL and high-level government operatives conspired to rig the Super Bowl in Kansas City’s favor to give maximum exposure to a yet-to-be-announced endorsement from Chiefs star Travis Kelce and his girlfriend [Taylor Swift](#).

Republicans

The MYTH that Republicans are “fiscally responsible” and “better” for the economy is a LIE!

- Reagan took the deficit from \$70 Billion to \$175 Billion.
- Bush 41 took it to \$300 Billion.
- Clinton got it to ZERO, and left office with a \$86.4 billion SURPLUS.
- Bush 43 took it from \$0 to \$1.2 Trillion.
- Obama halved it to \$600 Billion.
- Trump added \$7.8 Trillion, the largest peacetime budget deficit in American history and a national debt exceeding 100% of the economy for the first time since World War II.
- Biden reduced the deficit by \$1.4 trillion by his 2nd year in office.

Republicans *destroy* the economy!

Reminder: Every single
Congressional
Republican voted
against expanding the
Child Tax Credit,
which helped cut child
poverty nearly in half.

It always cracks me up when the left is referred to as "radical." Like the left is running around carrying assault rifles, denying science, and discussing not accepting the results of an election.

How sad it must be
- believing that scientists,
scholars, historians,
economists, and journalists
have devoted their entire
lives to deceiving you, while
a reality tv star with decades
of fraud and exhaustively
documented lying is your only
beacon of truth and honesty.

Nikki Haley's husband, Maj. Michael Haley, tweeted this after Trump attacked her today for him not being with her. (He's a commissioned officer deployed in Africa with the South Carolina national guard.)

Immigration

**Question!
What if anything .do
Republicans do??**

HERE'S WHY WE DON'T HAVE IMMIGRATION REFORM:

1. In 2013 Democrats passed a bi-partisan immigration reform bill in the Senate.
2. House Republicans REFUSED to allow the bill to even be debated.
3. Obama asked Republicans to propose THEIR OWN immigration bill.
4. Republicans REFUSED.
5. Then Republicans demanded that Obama do something about illegal immigration!
6. So Obama used his executive authority to enact some immigration reforms.
7. Republicans were outraged and called Obama a tyrant for doing exactly what they asked him to do.

REPUBLICANS DON'T REALLY WANT IMMIGRATION REFORM; THEY WANT A PROBLEM THEY CAN BLAME DEMOCRATS FOR AND SCARE YOU WITH!

The bipartisan border bill is endorsed by the National Border Patrol Council representing 18,000 border patrol agents, which says it "will drop illegal crossings nationwide."

If MAGA kills the bill, they will OWN the border crisis.

"Stay woke. Keep your eyes open." - Lead Belly

The Scottsboro Boys, nine Black teens falsely accused of raping two white women in 1931, were sentenced to death. NAACP forced repeated retrials. They were finally freed but never recovered.

The first documented use of the phrase "stay woke" happened in the 1930s when Lead Belly ended his song about the Scottsboro Boys by advising Black folk traveling through Alabama to "stay woke."

The term "woke" was created by Black people referring to being alert to systemic racial injustices. [#BlackHistoryWithLana](#) [#Fresh](#)
